Divisions (recorded vote). see also Deferred votes
Concurrence in supply (carried), 4915

Index des intervenants. Dans cette section, la vedette principale est le nom d'un ou d'une député(e) et de sa circonscription, suivi d'une liste des sujets abordés par ce ou cette député(e) avec le numéro des pages. Les vedettes dans cette section se présentent de la façon suivante:

17A	850	2	23-52	Ms Caroline Di Cocco (Sarnia-Lambton): It's a pleasure to rise in the House today to pay tribute to a young constituent of mine from Sarnia-Lambton who's truly an inspiration to us all. Kristopher is a 13-year-old Sarnia native who is presently waiting for a liver transplant, and he has a wish: to accomplish a 200-city-and-town walking tour across Canada to help save nearly 4,000 people who need organ and tissue transplants. The walking tour begins next month in Sarnia, but before that, I'm proud to tell the House that Kristopher will be here at Queen's Park tomorrow, along with many supporters, for a pre-kickoff announcement. I want to take this opportunity to invite all the members to join us at this event tomorrow afternoon, and I want to remind all members and all Ontarians to show their support for this vital health care issue and consider filling out an organ donor card. I had the opportunity to distribute these cards to other members earlier this week, and am happy to sign one myself. I'm proud of the amazing leadership that Kristopher is displaying on this issue, and I urge all members to show support for Kristopher's Wish. I'm happy to wear the special Gift of Life pin, which my office has left in both the east and west lobbies today. At this time, I'd like to ask for unanimous consent for all members to wear this special pin in support of Kristopher's Wish. The Speaker (Hon Alvin Curling): Do we have unanimous consent to wear the Kristopher pin? There seems to be unanimous consent. With respect to the greenbelt legislation that I mentioned, Bill 135, I am quite supportive of it. I know Mr Tory is quite passionate about having preserves of green space, as we were under the Oak Ridges moraine.
